## Case Study / Green Parlour / Shopfit

Contract Value £29,000.00

This project was earmarked for another location originally, the clients ran into difficulties with the landlord there and so they concentrated their efforts on the second choice of Pangbourne. However from the minute they opened they knew they had made the right choice, the whole look and feel of this simple yet elegant unit was perfect for Pangbourne.

Newly plastered walls and ceilings finished in a subtle shade of off white, new lighting both directional and fixed illuminate the wood plank vinyl flooring which is a fantastic feature and is equalled only by the Corian countertop with its integral large preparation sink. The overall effect of the shop is to compliment the flowers and plants and the people of Pangbourne have voted with their feet and it is an amazing success!
