Case Study/Langley Leisure Centre/Refurb

Phase 1. Contract Value £78,000.00

"We want people to stay and watch their children swimming, have a chat and a coffee and feel comfortable in the surroundings", this was the brief. Out with the big and bulky Reception, remove the internal wall and open up the entire area and put in a new combined Reception and Coffee Point, these were our thoughts and this was the result.

With the use of warm woodplank vinyl's and vibrant coloured carpet tiles to the floor, additional feature lighting along with new wall and door colours, window manifestation and graphics the transformation was complete and this drab and cold space was transformed into a welcoming and relaxing Café area. It was an immediate success and both Staff and customers love it.
