Case Study/Pudding/Shopfit

Contract Value £26,000.00

A fantastic circular shop in an up and coming shopping development right in the heart of Reading, Berkshire was the setting for Pudding, the first of what the client hopes will be a chain of shops selling Designer Lingerie. No major structural alterations here simply the fitting out of the shell from forming new cubicles and dry lining walls, to new lighting and a sprinkler system. With some bright Pink wall and window graphics and the new bespoke sales counter and display cabinet combined with the clients overall design made for a truly stunning look in a quite a small unit.
