Case Study/Waitrose/Office Refurbishment

Contract Value £80,000.00

On the second floor above one of the many warehouses in Waitrose's main Distribution Centre in Bracknell, Berkshire lay a disused office space. In the space of four weeks we transformed this area into the pleasant working environment that you see in these images. Everything was removed and replaced, ceilings, walls, carpet, lighting, power and Data, the air-conditioning was overhauled and the entire area redecorated. The offices were then filled with all new furniture and fittings ready for the Staff to move from other existing offices on the Campus. This is an example of one of the many Offices that we have refurbished for Waitrose at their Distribution Centre over the past few years.
